Sir:

The above Applicant herewith encloses a re-submittal of the United States Patent and Trademark Office Form PTO-1449 originally filed June 2, 2000 listing prior art that may be pertinent to the examination of the subject pending patent application. The Form PTO-1449 previously filed may be defective. The enclosed Form PTO-1449 corrects any previously filed defective forms.

The above Applicant requests the United States Patent Office Examiner to consider the prior art listed in the enclosed PTO-1449 Form during the examination of the subject pending patent application. The above Applicant verily believes that the present claims in the subject patent application distinguish from the prior art listed in the enclosed PTO-1449 Form.

Respectfully submitted,
